CREATE

INSPIRATION WALL

It can be hard to know where to start
sometimes trying to find ideas for songs.

So let's get our creative brains ignited and
create a **class inspiration wall**.

On here we will put anything that comes to
mind or inspires us around the theme of our
song **'What's on your mind?'**.

Draw, write, scribble, doodle, stick,
paint or glue anything to create a
fantastic inspiration board!

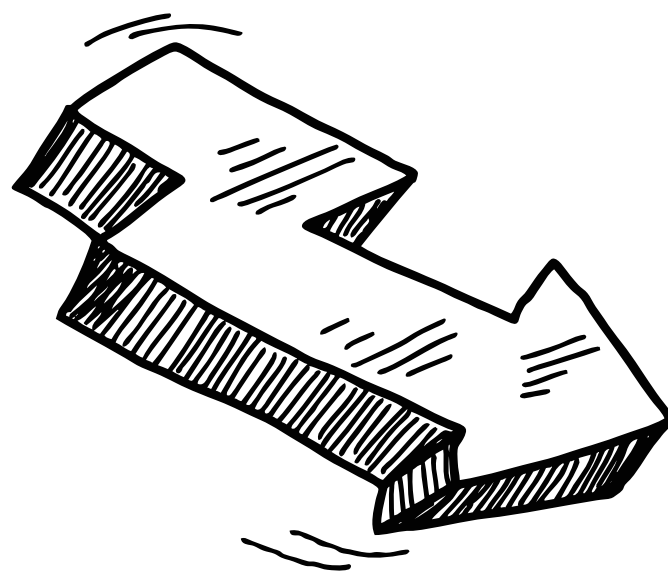

[And keep it safe as we will use this later on for writing our song!]

INSPIRATION TIPS

Scratching your head? Nothing coming to mind?
Well follow these tips to start the sparks flowing...

Pick an image.

What image reminds you of the theme 'What's on your Mind?'

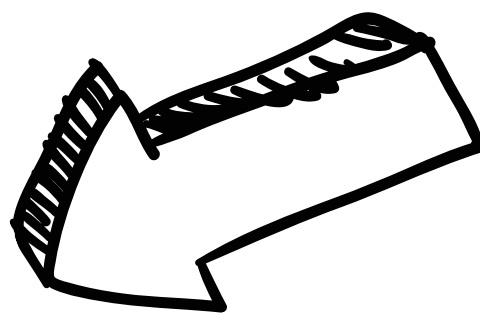

Describe what you feel?

Hopeful, excited, happy, joyful, scared, intrigued, curious or disgusted?
Does the picture tell a story?

Describe what you see.

Where is it?
Who is in the picture?
What can you see?
When was this taken (past, present, future, night, day)?

Write your song title idea:

What is your main message of your song?
Is it an adventure song or a song of bravery and hope or a funny song?
