Snow Falls - Laura Loft Adpt.

Swing Low medley but change words:

**Snow falls, snow falls around
Sparkles in the moon light sky**

Oh When The Saints:

**Oh when the snow, comes falling
down,
Oh when the snow comes falling
down
I want to build a great big snowman,
When the snow comes falling down**

I'm gonna sing:

**I'm gonna sing, sing, sing
I'm gonna dance, dance, dance,
I'm gonna sing, I'm gonna dance at
Winter Time
I'm gonna dance around the tree
Sing as loudly as can be
I'm gonna sing, I'm gonna dance at
Winter Time**

Michael Finnegan

**There was an old man called Michael
Finnegan
He had whiskers on his chin again
The wind came up and blew them in
again
Poor old Michael Finnegan,
begin again**

**There was an old man called Michael
Finnegan
He kicked up an awful din again,
Because they said he must not sing
again
Poor old Michael Finnegan, begin
again**

**There was an old man called Michael
Finnegan
He went fishing with a pin again
Caught a fish, but dropped it in
again**

**Poor old Michael Finnegan, begin
again**

**There was an old man called Michael
Finnegan
Climbed a tree and barked his
shin-igin
Took off several yards of skin again
Poor old Michael Finnegan, begin
again**

**There was an old man called Michael
Finnegan
He grew fat and then grew thin
again
And then he died and had to begin
again
Poor old Michael Finnegan STOP!**

Hey Ho

Hey Ho

Anybody home?

Food and drink and money I have none

Let us all be merry, merry, merry

Underneath the sun.

My dog is a good dog

My dog is a good dog, yes he is.

My dog is a good dog, yes he is,

For he sits and begs and he stands up tall,

He chases his tail all around the hall.

My dog is a good dog, yes he is.

My dog is a good, good dog, yes he is.

My dog is a good, good dog, yes he is,

For he sits and begs and he stands up tall,

He chases his tail all around the hall.

My dog is a good, good dog, yes he is.

My dog is a good, good, good dog, yes he is.

My dog is a good, good, good dog, yes he is,

For he sits and begs and he stands up tall,

He chases his tail all around the hall.

My dog is a good, good, good dog, yes he is.

Carol of the Bells

Hark how the bells, sweet silver bells
All seem to say, "Throw cares away"
Christmas is here, bringing good cheer

(Ding Dong)

To young and old, meek and the bold
(Ding Dong)

Ding-dong, ding-dong, that is their song

(Ding Dong)

With joyful ring, all caroling

(Ding Dong)

One seems to hear, words of good
cheer

From ev'rywhere, filling the air

Oh, how they pound, raising the sound

(Oh How)

O'er hill and dale, telling their tale

(Happy)

Gaily they ring while people sing

Songs of good cheer, Christmas is here

Merry, merry, merry, merry Christmas

Merry, merry, merry, merry Christmas

On, on they send, on without end

(Ding Dong)

Their joyful tone to ev'ry home

(Ding Dong)

(Dong.....)

Hark how the bells, sweet silver bells
All seem to say, "Throw cares away"

Christmas is here, bringing good cheer
(Ding Dong)
To young and old, meek and the bold
(Ding Dong)

Ding-dong, ding-dong, that is their song
(Ding Dong)

With joyful ring, all caroling
(Ding Dong)

One seems to hear, words of good
cheer
From ev'rywhere, filling the air

Oh, how they pound, raising the sound
(Oh How)
O'er hill and dale, telling their tale
(Happy)

Gaily they ring while people sing
Songs of good cheer, Christmas is here

Merry, merry, merry, merry Christmas
Merry, merry, merry, merry Christmas

(Dong)
Their joyful tone to ev'ry home

Ding. Dong. Ding. Dong.

Favourite Things - Jazz version

Section A

Raindrops on roses and whiskers on kittens
Bright copper kettles and warm woolen mittens
Brown paper packages tied up with strings
These are a few of my favorite things

Section A

Cream colored ponies and crisp apple streudels
Doorbells and sleigh bells and schnitzel with noodles
Wild geese that fly with the moon on their wings
These are a few of my favorite things

Section A

Girls in white dresses with blue satin sashes
Snowflakes that stay on my nose and eyelashes
Silver white winters that melt into springs
These are a few of my favorite things

Section B

When the dog bites
When the bee stings
When I'm feeling sad
I simply remember my favorite things
And then I don't feel so bad

Let it Snow

Oh, the weather outside is frightful
But the fire, it's so delightful
And since we've no place to go
Let it snow, let it snow, let it snow!

Man, it doesn't show signs of stopping
And I brought me some corn for popping
The lights are turned way down low
Let it snow, let it snow, let it snow!

***When we finally kissed goodnight
How I hate going out in the storm
But if you really hold me tight
All the way home I'll be warm***

And the fire is slowly dying
And, my dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow, and snow!

***When we finally kissed goodnight
How I hate going out in the storm
But if you really grabbed me tight
All the way home I'll be warm***

Oh, the fire is slowly dying
And, my dear, we're still goodbying
But as long as you love me so
Let it snow, let it snow, let it snow!

A Million Dreams

Verse 1

I close my eyes and I can see
The world that's waiting up for me that I call my own
Through the dark, through the door
Through where no one's been be-fore
But it feels like home

Pre Chorus

*They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we de-sign*

Chorus

'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me a-wake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take

Verse 2

There's a house we can build
Every room inside is filled
With things from far away
The special things I com-pile
Each one there to make you smile
On a rainy day

Pre Chorus

*They can say, they can say it all sounds crazy
They can say, they can say I've lost my mind
I don't care, I don't care, so call me crazy
We can live in a world that we de-sign*

Chorus

'Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me a-wake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make

Middle 8/Bridge

However big, however small
Let me be part of it all
Share your dreams with me

You may be right, you may be wrong
But say that you'll bring me a-long
To the world you see
To the world I close my eyes to see
I close my eyes to see

Chorus

Cause every night I lie in bed
The brightest colours fill my head
A million dreams are keeping me a-wake
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna maaake
For the world we're gonna make

The Givingest Time of the Year

Mm-mm-mhm-m-m

Chorus:

**Yes, the givingest time of the year, my friends
The givingest time of the year
It's the givingest time of the year, my friends
The givingest time of the year**

Verse 1:

The snow on the ground, the sled you are pulling
The holiday lights, and that orange-pickle pudding
The scent of the candle, and wreath on the door
Almost makes you forget what this season is for

Chorus:

**It's the givingest time of the year, my friends
The givingest time of the year
It's the givingest time of the year, my friends
The givingest time of the year**

Verse 2:

When you give from your heart, you get so much more
Giving is what this season is for
The gift is your friends and family for sure
They make all... your... wish-es... come... true

Oh Christmas Tree/Catch a Falling Star/I Saw Three Ships Medly

O Christmas Tree, O Christmas tree,
How lovely are your branches!
O Christmas Tree, O Christmas tree,
How lovely are your branches!
Not only green in summer's heat
But also winter's snow and sleet
O Christmas Tree, O Christmas tree,
How lovely are your branches.

Catch a Falling Star

Catch a falling star and put it in your pocket
Never let it fade away
Catch a falling star and put it in your pocket
Save it for a rainy day

For love may come and tap you on the shoulder
Some starless night
Just in case you feel you wanna hold her
You'll have a pocketful of starlight

I Saw Three Ships

I saw three ships come sailing in
On Christmas Day, on Christmas Day;
I saw three ships come sailing in
On Christmas Day in the morning.

And what was in those ships all three
On Christmas Day, on Christmas Day
And what was in those ships all three
On Christmas Day in the morning?

Winter Wonderland

Sleigh bells ring, are you listenin'?
In the lane, snow is glistenin'
A beautiful sight, we're happy tonight
Walkin' in a winter wonderland

Gone away is the bluebird
Here to stay is a new bird
He sings a love song while we stroll along
Walking in a winter wonderland

**In the meadow, we can build a snowman
And pretend that he is Parson Brown
He'll say, "are you married?"
We'll say, "no, man"
But you could do the job when you're in town**

Later on, we'll conspire
As we dream by the fire
To face unafraid, the plans that we've made
Walking in a winter wonderland

**In the meadow, we can build a snowman
We'll pretend that he is Parson Brown
He'll say, "are you ready?"
We'll say, "no, man"
But you could do the job when you're in town**

Later on, we'll conspire
As we dream by the fire
To face unafraid, the plans that we've made
Walking in a winter wonderland
Walking in a winter wonderland
Walking in a winter wonderland

Merry Christmas
